1st January 2021

Dear Parent/Guardian

Following the announcement from the Department of Education yesterday morning and subsequent information provided in the late afternoon we are now in a position to announce our plans to reopen school next week.

Monday 4th January remains a Staff Development Day for teachers. **Tuesday 5th January** will now be used as a day for staff to prepare E- Learning for pupils (as directed by the Department of Education). E-Learning and Supervised Learning will therefore begin on **Wednesday 6th January**.

School will remain open for children of key workers for supervised learning if no other safe alternative is available for parents. If you feel that you require Supervised Learning for your child/children from Wednesday 6th January, please complete the form linked below.

<https://forms.gle/y5DFhPSWvsaAYkCE8>

Please note that principals were originally told that both parents needed to be key workers but have since been informed that only one parent needs to be a key worker. Please be prepared for this guidance to be potentially changed again, as it was in March.

All parents in P1/2, P2/3 and P3/4 should now be connected to their child's SeeSaw page, if you experience any issues please call the school from 10am on Tuesday morning. All pupils in P5/6 and P6/7 have been using Google Classroom in school and at home- however if you experience any challenges, please call the school from 10am on Tuesday morning.

As of now we have had no information regarding AQE tests scheduled for Saturday 9th January, Saturday 16th January and Saturday 23rd January. If we have any updates we will be sure to let parents know.

Once again, I thank you for your support and patience in trying circumstances for us all. I wish you all a very happy new year.

Yours sincerely

Mr Bogle
