21st June 2021

Dear Parent/Guardian

Due to two confirmed cases of COVID-19 in our P2/3 class we have had to close this class and all pupils should self isolate until **Saturday 26th June 2021**. We also have a number of children identified as close contacts in both our P5/6 and P6/7 classes and these children have also been sent home to complete the required isolation period. I have sent a letter via the school app from the PHA which suggests that close contacts get a PCR test. If you do decide to get a PCR test for your child, please let us know the results of that test.

The above has also had an impact on staffing and as a result today we have had to send our P1/2 class home early. However they can return to school on **Tuesday 22nd June** as normal.

As per our calendar, the school should be open until **Tuesday 29th June** (12pm closure) but depending on how the situation unfolds with numbers over the coming days, this date may be reviewed and we will communicate any changes in due course. A decision will be made later this week on whether or not the planned P7 leavers assembly goes ahead on Monday 28th June.

I thank you for your support and understanding in what has been a fast developing situation. I would also like to confirm that both people who have tested positive are doing well and completing the required isolation period at home.

Yours sincerely

Mr Bogle
